

July 14, 2006

Dear MHA Member:

Enclosed are the meeting announcement, registration form, and call for papers for the 19th annual meeting of the Missouri Herpetological Association. The meeting this year will again be held at the Reis Biological Station near Steelville, Missouri.

If you are planning to present a paper or co-author a paper, I will need a typed abstract on the day of the meeting. This is important so we can get the newsletter out on time. Those planning to present a paper **must fill out and return the attached registration form to me by 8 September 2006.**

Typically the presentations last until 5:30 pm. However, this will depend on the number of papers, as well as other MHA business that needs to be addressed.

If you have any questions, please feel free to contact me by phone (573/522-4115 ext. 3201) or e-mail at: [Jeff.Briggler@mdc.mo.gov](mailto:Jeff.Briggler@mdc.mo.gov). I look forward to seeing you at the meeting.

Sincerely,

Jeff Briggler  
Herpetologist  
Missouri Department of Conservation
